Any item listed here may be borrowed from the Library of the National Society for Crippled Children and Adults, Inc. Additional literature on any of the subjects will be sent to interested persons upon request.

A complete index for this volume will be issued at the end of the year. A bibliography of publications which originally published the articles listed in this Index appears on page 7.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education, or vocational rehabilitation of cripples and public or private institutions and agencies having Institutional membership in the National Society for Crippled Children. Available to others at 50¢ a year.

519. Ainsworth, S. Suggestions for a successful speech correction program in public schools. Quarterly J. of Speech. Dec. 1945. 31:4:471-7.
520. American Federation of Physically Handicapped. Statement of Paul A. Strachan, Nat'l President, before House Labor Subcommittee to investigate aid to the physically handicapped on H.R. 5206. A.F.P.H. Tribune. Je 1946. 1:5:2-8.
521. Amputees' gait; Army uses pictures to study how men walk with artificial leg. Life. Jy 1, 1946. 21:1:91-5.
522. Andrews, C.M. Rehabilitation through vocational training. Education. Dec. 1945. 66:4:248-50.
- A short, general statement emphasizing the importance of vocational training in the rehabilitation of the handicapped.
523. Baruch Committee on Physical Medicine. Report on a community rehabilitation service and center (functional plan). 597 Madison Ave., New York 22, N.Y. 1946. 24 p.
- "This booklet is the final report of the Subcommittee on Civilian Rehabilitation Centers."
524. Bassett, R.C. Problem of epilepsy. Hygeia, Jy 1946. 24:7:520-1.
525. Baumgartner, L. Some phases of school health services. Am. J. of Public Health. Je 1946. 36:6:629-35.
526. Beach, E. Problems of spastics. A.F.P.H. Tribune. Je 1946. 1:5:19.
- An editorial reviewing the needs and the rights of the cerebral palsied.
527. Blodgett, M.L. The art of crutch walking. Occupational Therapy and Rehabilitation. Apr. 1946. 25:2:27-32.
528. Carlson, E. R. Educational and vocational aspects of the problem of the cerebral palsied. J. of Rehabilitation. Je 1946. 12:2:24-5,31.
- This article is part of the testimony given before the Congressional Subcommittee on Aid to the Physically Handicapped.
529. Carter, H.A.; Coulter, J.J. Physical therapy in small community hospitals. Archives of Physical Medicine. Je 1946. 27:6:343-7.
- Discusses minimum standards and requirements for maintaining a physical therapy department.
530. Casell, J. Modern miracle of the disabled. Britain. Dec. 1945. 7:2:47-50.
- A short account of Britain's Center of Industrial Rehabilitation, at Egham, Surrey, for servicemen and civilians.
531. Caudill, F.W. Tick paralysis. Bul. of the Dept. of Health, Kentucky. Je 1946. 18:11:599-602.

532. Congressmen impressed by insurers' work; Clark Bridges tells of contribution on physically handicapped problem. Nat. Underwriter. Dec. 27, 1945. 49:51:25,32.

533. Cooper, G.M. Crippled children. Public Welfare News. Je 1946. 9:2:8.

Explains briefly the state program in North Carolina.

534. Dauer, C.C. Incidence of poliomyelitis in the United States in 1945. Public Health Reports. Je 21, 1946. 61:25:915-21.

535. Davis, H., and others. Selection of hearing aids. Laryngoscope. Part I: Mar. 1946. 56:3:85-115; Part II: Apr. 1946. 56:4:135-63.

The two articles compose a report of research initiated at the Psycho-Acoustic and Electro-Acoustic Laboratories of Harvard University and closely coordinated with the Aural Rehabilitation Services of the Army and Navy. "A major part of the general program has been an experimental study of hearing aids, both as physical instruments and as aids to hearing."

536. Davis, J.E. The mentality may become bent. Occupational Therapy and Rehabilitation. Apr. 1946. 25:2:33.

Gives examples to show that "mental distortion in the mind appears to affect, but little, the ability to do coherent things with the hands."

537. Deter, R.L.; Lyndon, B.H. Reconditioning: some psychological implications. Mental Hygiene. Apr. 1946. 30:2:207-25.

A report of the reconditioning program for convalescent soldiers at Camp Swift Regional Hospital.

538. Deutsch, A. Rheumatic fever. Women's Home Companion. Jy 1946. p.20-1.

539. Employment of disabled persons in Great Britain; operation of the 1944 Act. International Labor Rev. Mar-Apr. 1946. 53:3-4:236-7.

Reports the steps being taken to put the Act into effect.

540. Erickson, E. Federal-state program for vocational rehabilitation of disabled civilians. N. Dakota Welfare. Jan. 1946. 2:3:3,4,12.

The North Dakota program as explained by the State Director of the Civilian Vocational Rehabilitation Division.

541. Fay, T. Observations on the rehabilitation of movement in cerebral palsy problems. West Virginia Medical J. Apr. 1946. 42:4:77-80.

Enumerates the items the physical survey of the patient should cover. Explains also the pattern movement, called the "fish crawl," in developing coordinated muscular movements.

542. Fitzgerald, L.A. "No Help Wanted" is expression of handicapped workers' spirit. J. of American Insurance. Mar. 1946. 23:3:6-9.

543. Froeschels, E. Testing the hearing of young children. Archives of Otolaryngology. Feb. 1946. 43:2:93-8.

544. Gt. Brit. Ministry of Pensions. Artificial limbs; report of the Departmental Committee on Artificial Limbs. London, H.M. Stat. Off. 1945. 23p. 4 pence.

545. Phelps, M. Recent significant trends in the care of cerebral palsy. Southern Medical J. Feb. 1946. 39:2:132-8.

An excellent summary in which are discussed: incidence; agencies with, or establishing, programs for care of cerebral palsied; advances in knowledge of etiology; advances in differential diagnosis in relation to indications for treatment; surgery; drugs.

546. Gunderson, N.D. Administrative problems of the poliomyelitis epidemic in the Rockford, Ill., area, July 1st to December 1st, 1945. Illinois Municipal Rev. Feb. 1946. 25:2:37-40.

547. Holtrop, W.F. Industrial arts to aid occupational therapy. Industrial Arts and Vocational Education. Feb. 1946. 35:2:54-7.

Proposes that the industrial arts shop, and its teachers, may be used to further the program of occupational therapy.

548. If you plan rehabilitation center, here is what it takes. Hospital Management. Je 1946. 61:8:120-4.

Summarizes parts of the final report of the Baruch Subcommittee on Civilian Rehabilitation Centers.

549. Jones, M.H. Cerebral palsy child; diagnosis and treatment. Am. J. of Nursing. Jy 1946. 46:7:465-8.

An important article which summarizes what can be done, and the facilities needed. Contains bibliography.

550. Kabat, H.; Jones, C.W. Studies on neuromuscular dysfunction; neostigmine therapy of chronic disability following fractures; report of fifty-one cases. Am. J. of Surgery. Jan. 1946. 71:1:55-69.

551. Kollogg, L.G. Work adjustment in rehabilitation. J. of Rehabilitation. Je 1946. 12:2:15-18.

Discusses the growth in scope and in number of rehabilitation programs for the blind.

552. Kerr, M. Nursing responsibilities in cerebral palsy. Am. J. of Nursing. Jy 1946. 46:7:469-74.

An excellent article giving instructions on all phases of the care of the cerebral palsied child and the supervision of its parents. Discusses also responsibilities of the nursing profession in preventing cerebral palsy.

553. Knowler, F.H.; Johnson, W. Inventory for evaluating a program of speech correction. Clearing House. Jan. 1946. 20:5:294-6.

A 43-question inventory by which a public-school, speech-correction program can be evaluated.

554. Lampron, E.M. Social worker helps handicapped adolescents with emotional problems. Child. My 1946. 10:11:173-6.

"Presents results of a study of 5 years' medical and social records of a number of boys and girls under care at the Detroit Orthopaedic Clinic."

555. Linck, L.J. Cerebral palsy program of the Nat. Soc. for Crippled Children and Adults. Newsletter, Nat. Council on Rehabilitation. Je 1946. 3:6:3-6.

556. Lockwood, B. Facts fight fears: A high school experimental project on infantile paralysis. Science Education. Oct. 1945. 29:4:184-7.

557. Lowrey, S. Interpretative reading as an aid to speech correction, acting, and radio. Quarterly J. of Speech. Dec. 1945. 31:4:459-64.

558. McFarland, J.W.; Lukins, N.M. A page-turning device for respirator patients. Occupational Therapy and Rehabilitation. 25:2:42-44.

559. McIntire, R. Navy's program for the deafened. Volta Rev. Je 1946. 48:6:339-43, 370-76.

Paper presented before Soc. for the Hard of Hearing, Mar. 15, 1946, by the Surgeon General, U.S. Navy.

560. Martens, E.H. Curriculum adjustments for gifted children. (Bul. No.1, 1946, U.S. Federal Security Agency) Washington, D.C., Supt. of Docs, 1946. 82p. 20 cents.

561. Mastorgi, A.A.; Dudley, H.V. Chronic case care by public health nurses. Connecticut Health Bul. Je 1946. 60:6:134-6.

Data compiled from 65 local agencies on cases in private homes deemed unfavorable for the care of invalids.

562. Maynard, E.P., Jr.; Chapelle, C.E. Heart sufferer is employable. Citizen CIO. Jy-Aug. 1946. 1:8:8.

563. Medicine: exhibits (at the 95th A.M.A. Convention). Newsweek. Jy 15, 1946. 28:3:60-2.

Reports the exhibits on paraplegic rehabilitation and on physical medicine.

564. Molner, J.G. Organizing the community for poliomyelitis care. Hospitals. Je 1946. 20:6:40-2.

One of ten articles in the current issue comprising "A guide in preparing hospitals for polio emergencies."

565. Nash, A.L. Educational advantages enjoyed by handicapped children. Part II. Training School Bul. Je 1946. 43:4:75-80.

Summary of the year's accomplishments concluded.

566. Nelson, F. Industrial aspects of eye care. Trained Nurse and Hospital Rev. Je 1946. 116:6:428-30.

567. Novis, F.W. Development of the rehabilitation center in Connecticut. J. of Rehabilitation. Je 1946. 12:2:19-22.
568. Parran, T. New strategy against venereal disease. J. of Social Hygiene. Mar. 1946. 82:3:127-34.
569. Projected Books, Inc. Partial list of titles. No. 3. Je 1, 1946. 23p. Processed.
- A partial list of popular books available on microfilm that can be projected on to the ceiling.
570. Rapp, S.S. Boarding care for the aged sick. Family. Jy 1946. 27:5:192-6.
- Discusses some of the problems and responsibilities of the medical social worker in serving the aged sick.
571. Rheumatic heart disease survey in Lycoming County. Pennsylvania's Health. Apr.-Je 1946. 7:2:5.
- A brief report on how the survey was conducted.
572. Role of speech in the secondary school. Bul. of the Nat. Assn. of Secondary-School Principals. Nov. 1945. 29:133:1-169.
- Entire issue devoted to articles on the various aspects of speech education. Includes short section (p.51-61) on "Speech Defects."
573. Rusk, H.A. Fitting the disabled to the job. N.Y. Times Mag. Je 23, 1946. p.14, 45-7.
- Recounts the successful use of handicapped workers in various small industries.
574. Rusk, H.A. Forgotten casualty: the disabled civilian. Reprint from N.Y. Times Mag. My 12, 1946.
575. Rutherford, B., and others. Metropolitan speech correction. J. of Speech Disorders. Je 1946. 11:2:131-4.
- A questionnaire study of how cities of 100,000 and over meet the problems of speech correction.
576. Ryle, J.A. Wider aspects of rheumatic fever. Lancet. Je 15, 1946. 6407:598-9.
- Discusses social implications in the incidence of the disease.
577. Sands, H. Epileptic child can lead normal life. Child. Je 1946. 10:12:189-91.
578. "Screening" eye examinations, and follow-up. J. of School Health. Je 1946. 16:6:157-62.
- Chap. V of "Eye Health - A Teaching Handbook for Nurses," to be published by Nat. Soc. for the Prevention of Blindness.

579. Seasoltz, J.F. Acrylic eye prosthesis. Hospital Corps Quarterly. Jy 1946. 19:7:26-7.

580. Sheehan, V.M. Rehabilitation of aphasics in an Army hospital. J. of Speech Disorders. Je 1946. 11:2:149-57.

The speech therapy program at Percy Jones General Hospital, Battle Creek, Mich.

581. Shortley, M.J. Gainful employment for the deaf. Volta Rev. Je 1946. 48:6:329.

582. Smith, M.V. A clinician's story. Quarterly J. of Speech. Feb. 1946. 32:1:63-6.

Shows how a typical speech correction case is handled in the speech clinic.

583. U.S. Public Health Service. Report of the Committee on Venereal Disease Control to the State and Territorial Health Officers' Association, April 1946. J. of Venereal Disease Information. Jo 1946. 27:6:147-51.

584. U.S. Navy, Bureau of Medicine and Surgery. Handbook for the newly blinded. U.S. Supt. of Docs., Washington, D.C. 1946. 50p. Processed.

Manual is designed as a practical guide for the blind man himself and for members of his family. Bibliography, p.41-50.

585. Vehicle controls for disabled veterans; final report and recommendations of the S.A.E. War Engineering Board. Soc. of Automotive Engineers, Inc., 29 W. 39th St., New York 18, N.Y. 1945. 97p. Processed.

In two parts: First section is a compilation of illustrations and text on special vehicle controls as utilized in the past. The second part contains photographs, descriptions and discussion of special controls installed on a passenger car to be tried by disabled veterans (amputees).

586. Walsh, G. A speech student's experiment in college education. Quarterly J. of Speech. Feb. 1946. 32:1:76-7.

Reports that the "teach-a-phone," an experimental system of intercommunication, permits a student confined at home to participate vocally in his classes at Eau Claire State College.

587. Williams, H. Value of community health centers in preventive and curative medicine. Am. J. of Public Health. Je 1946. 36:6:623-8.

588. Warren, M.W. Care of the chronic aged sick. Lancet. Je 8, 1946. 6406:841-3.

Discusses the problem of caring for and rehabilitating the handicapped 60 years of age and over.

589. Van Riper, H.E. What to do if polio strikes your camp. Camping. Je 1946. 18:6:8-10.
